**STARMARK INTERNATIONAL HOSTS GALLERY NIGHT FOR  
ALAN S. MALTZ, OFFICIAL FINE ART AND WILDLIFE  
PHOTOGRAPHER OF FLORIDA**

*Award-Winning Fine Art Photographer to Unveil Four Pieces  
for Permanent Display at Fort Lauderdale-based Ad Agency*

**FORT LAUDERDALE, Fla. (April 8, 2009)** – Starmark International, a full-service integrated marketing communications agency located in Dania Beach, Fla., will host “Gallery Night” for artist Alan S. Maltz on April 16, 2009.

During the private reception, Maltz, together with Starmark CEO Dan Estes, will unveil four original pieces that will be on permanent display at the agency: “*Guiding Light*,” “*Maiden Voyage*,” “*Flats Fever - It’s Catching*” and “*Clarity*.” Additional works from the Alan S. Maltz Gallery, located in Key West, will also be on display that evening.

“Photography for me expresses a natural, intuitive sense of knowing what to do and when to do it,” said Maltz. “I am honored to exhibit these murals of Florida’s spectacular environment, spiritual and inspirational works of art, at Starmark International, which shares a similar creative vision and intuition.”

Prominent business leaders, as well as Starmark clients, partners and staff will have an opportunity to meet the artist, network with friends and enjoy a delicious Florida-themed menu of hors d’oeuvres. A business card drawing for a chance to win hand-selected pieces from Maltz’s collection, signed books and other prizes will be part of the festivities.
