**FORT LAUDERDALE, Fla.** – Four images by renowned fine art photographer Alan S. Maltz are on permanent exhibit at Starmark International, a full-service integrated marketing communications agency located in Dania Beach, Fla.

Maltz, together with Starmark CEO Dan Estes, unveiled the original pieces during a private reception at the agency on Thursday, April 16. The images, titled "*Guiding Light*," "*Maiden Voyage*," "*Flats Fever - It's Catching*" and "*Clarity*," are displayed at the agency's StarBar Networking Center.

"Photography for me expresses a natural, intuitive sense of knowing what to do and when to do it," said Maltz. "I am honored to exhibit these murals of Florida's spectacular environment, spiritual and inspirational works of art, at Starmark International, which shares a similar creative vision and intuition."

Additional works from the Alan S. Maltz Gallery, located in Key West, were also on display that evening. Invited guests had the opportunity to meet the artist, network with friends and enjoy a delicious Florida-themed menu of hors d'oeuvres. A business card drawing for a chance to win hand-selected pieces from Maltz's collection, signed books and other prizes was also part of the festivities.
