Maltz collection makes the XLI

While South Florida and the world wait for the kick off of Super Bowl XLI in Miami, the South Florida Super Bowl XLI Host Committee is busy working to ensure the game is a success and the region, along with the entire state of Florida, shines on the international stage.

One of the tools they will be using is the work of fine art photographer Alan S. Maltz, who has studios on Duck Key and in Key West.

His latest book, "Florida...Beyond the Blue Horizon," has been selected as the official coffee table book of the South Florida Super Bowl XLI Host Committee.

Featuring breathtaking images of Florida's beaches, wildlife and architecture, the

book captures the state's hidden treasures.

The host committee will be providing signed copies personalized by the author to each of the 32 NFL team owners and NFL Commissioner Roger Goodell.

In his letter to Maltz announcing the book's designation, Chairman Rodney Barreto wrote, "Since three of the next four Super Bowls will be held in the state of Florida, we consider your book to be the perfect memento to showcase our beautiful state."

A fifth book, "Visions of Beauty: The Beaches of Fort Myers and Sanibel," will be published later this year.
